

## **WHO WILL HANDLE MY MEDIA RESEARCH PROJECT?**

When you work with Coleman, you get all of us. And what I mean by that is you get all of me. Everything I've got. Every bit of intelligence I have. Every bit of passion I have comes to bear on your project. And you also get all of us meaning you get Jon Coleman, John Boyne, Warren Kurtzman and Sam Milkman. All of us put our heads together and say, "What do you think is going on here?" And what is the best path forward for this radio station?

So, you get all of us in two ways. Whoever you work with, you're going to get everything they have.

And, you're going to get everything we have in the building.
